Kiwanis of Orange Community Foundation 2024 High School Community Services Scholarship Application Packet

The Kiwanis Club of Orange is pleased to offer scholarships for Orange and surrounding area students graduating in 2024 and that plan to attend a Community College, University, or Vocational school in the Fall. All graduating seniors may apply; those candidates that have a history of involvement in community service, and/or high school Key Club membership, and/or financial need will be given particular consideration. Grade point average will not be considered, however, a sincere desire to continue in secondary learning, as expressed in the essay section of the application will be highly relevant.

Kiwanis Club of Orange Scholarship recipients will receive a minimum award of \$1000, but may be eligible for additional funding. Final scholarship awards are dependent upon the maximum discretionary amount approved by the Board of Directors. *Primary funding for the Kiwanis Club of Orange Scholarship Program comes from “The Dale Watt Memorial” and “The Linda Graff Memorial” Funds.*

The Kiwanis of Orange Community Foundation is sensitive to the financial circumstances that families have regarding the affordability of college and/or other secondary learning institutions. Special consideration will be given to those applicants that communicate a financial need within their written statement.

Please see the attached Scholarship Candidate Eligibility Checklist, Written Statement Requirements and Application. All completed applications must be signed by the student and an organizational representative. **Applications, Letter(s) of Recommendation and Written Statements are due on or before midnight, Sunday, March 10, 2024.** Scholarship recipients will be notified by the end of the school year.
